

2022 Engineering Design and Construction – New Students’ Timetable

The following timetables indicate the proposed class days/times for your first term/trimester for those students studying the entire course. However, your timetable may vary if you have been granted credit exemptions. Your timetable will be emailed to you after you attend/complete orientation (Please note you will be informed of orientation details closer to your course commencement.). These timetables are subject to change. Student consultation and academic support may be accessed in addition to this.

Advanced Diploma of Civil Construction Design (RII60520)

Course Delivery Mode: On-Campus

On-Campus Welcome Day incl. orientation

April, July and October intake: Please click [here](#) to view Welcome Day schedule for each campus.

Days are scheduled 9am – 5pm.

*Options are on a first-come-first-serve basis, and subject to change based on the student numbers.

| Campus | Days per week (excluding optional student supervised study) | Class days |
|-----------|--|-----------------|
| Melbourne | 2 days | Monday, Tuesday |
| Sydney | 2 days | Monday, Tuesday |
| Perth | 2 days | Monday, Tuesday |
| Brisbane | 2 days | Monday, Tuesday |
