POLICY AND PROCEDURE - Complaints and Appeals

Purpose

Acknowledge Education is committed to providing an effective, efficient, fair and confidential non-academic grievance handling procedure for all complainants, parents and other Acknowledge Education community stakeholders ('Complainants'). Complainants must have easy access to a process of facilitating resolution of disputes or grievances at minimal or no cost. These procedures are conciliatory and non-legal in nature.

All complainants and prospective complainants of Acknowledge Education are entitled to access these procedures regardless of the location or campus at which the grievance originated, the complainant's or person's place of residence, or the mode in which they study.

Acknowledge Education will respond to any complaint or appeal a student makes regarding his or her dealings with Acknowledge Education, its education agents or any related party that it has an arrangement with to deliver the student's course or related services.

Application

These procedures cover the handling of non-academic complaints and appeals. Non-academic matters include those matters which do not relate to complainant progress, assessment, course content or awards in a course, and include complaints in relation to personal information that the provider holds and appeals of decisions to report international complainants for non-conformity with complainant visa requirements. These procedures apply equally to all complainants regardless of eligibility for or access to government subsidies, FEE-HELP and VET Student Loans.

This policy also applies to the parents/guardians of VCE and English for Secondary Schools complainants, as well as any other community stakeholder.

Copies of this document are incorporated into Staff and Complainant Handbooks and published on the Acknowledge Education website.

1 Policy

- c. The complainant has the right to be represented by a third person, such as a family member, friend, counsellor or other professional support person, at each stage of the procedure.

- d. If the complainant chooses to access Acknowledge Education's complaints and appeals processes, Acknowledge Education will maintain the complainant's enrolment while the complaints and appeals process is ongoing.
- e. Complaints which may affect course grades should be made during the semester in which the alleged action has taken place, but no later than the next succeeding semester.

- b. Acknowledge Education will keep a written record of the complaint or appeal, including a statement of outcome and reasons of the outcome.

Stage 3:

- Acknowledge Education will respect any decision made by the Overseas Student Ombudsman.

2.1 First Step – Informal Resolution of Grievances

- a. Acknowledge Education encourages an environment of self-awareness, accountability and maturity and recommends that, in the first instance, all complaints be discussed with the person(s) involved in order to attempt an informal discussion and resolution of the complaint. This may be a teacher, tutor, lecturer or course coordinator.
- b. Complainants may also discuss grievances with other teachers, tutors, lecturers, course coordinators, administrative staff, Student Accommodation and Welfare Officers, or Student Support Officers to attempt resolution and gain advice.

- c. It is not mandatory to attempt to resolve a grievance informally. Not doing so is not prejudicial to access the formal complaints and appeals process.
- d. In the case of informal resolution being inappropriate or the outcome of discussions being unfavourable to the complainant, the complainant is encouraged to access the following formal complaints and appeals processes.

2.2 Stage 1 – Internal Formal Review

- a. To initiate the formal process, complainants must submit a formal written complaint within a reasonable time from the grounds for the complaint arising to the Compliance Officer or, if relevant, the Course Coordinator or head of department. International complainants appealing letters of intention to report must lodge appeals within 20 working days of the letter being issued.
- b. That person will commence assessment of the complaint or appeal within 10 working days, assess the complaint, determine the outcome and advise the complainant in writing of their decision within 20 working days of receipt of the complaint, including a full explanation of the reasons for the decision if requested.
- c. If the outcome of the process is favourable to the complainant, Acknowledge Education will immediately advise the complainant and implement any decision and/or corrective and preventative action required.
- d. The complainant will be advised of their right to proceed to Stage 2 of the grievance procedure if they consider the matter unresolved.

2.3 Stage 2 – Internal Appeals Process (Appeals Panel)

- a. If the complainant is not satisfied with the outcome of the Internal Formal Resolution, they may lodge an appeal in writing by completing and lodging the Internal Appeal Form. This form is available at www.stotts.vic.edu.au and at any Acknowledge Education campus.
- b. An Appeal Panel, consisting of the three senior staff members not directly involved in the dispute, will convene within 10 days of the form being lodged to consider the appeal. The Appeal Panel will conduct all necessary consultations with the complainant and other relevant persons.
- c. The appealing complainant may elect to present their case in person or through a representative by making a nomination on the Internal Appeal Form. In this case the Appeal Panel will contact the complainant to arrange a date for hearing the appeal.
- d. The Appeal Panel will determine the outcome of the appeal and advise the appealing complainant in writing of their decision within 20 working days of lodgement of the Internal Appeal Form, including a full explanation of the reasons for the decision if requested.
- e. If the outcome of the process is favourable to the appealing complainant, Acknowledge Education will immediately advise the appealing complainant and implement any decision and/or corrective and preventative action required.
- f. The appealing complainant will be advised of their right to proceed to Stage 3 of the grievance procedure if they consider the matter unresolved.
- g. There will be no cost associated with the appeal.

Stage 3 – External Appeals Process

2.4

- a. If the appealing complainant is not satisfied with the outcome of the Internal Appeals Process, they have the right to access an external appeals process at minimal cost. The purpose of the external appeals process is to consider whether Acknowledge Education has followed its complainant complaints and appeals procedure, and not to make a decision in place of Acknowledge Education.
