Our Testimony,

In the past few months, we have had the privilege to work with amazing students where they have been partners, friends, team members and an unbelievable help here at Mahboba's Promise.

Students from Stott's College assisted us in most of area's where needed in our day-to-day organisation. The areas are grants, donations, admin, sponsorship, social media, logistics and field work. Stott's College students contributed to engage with our community to affect positive and sustainable change.

Mahboba's Promise is very grateful to the college and all the students that helped us achieve our goals!

We look forward to future endeavours with your college.

Thank you, Stott's College!

Sincerely,

The Team at Mahboba's Promise Inc
